A teacher appeared and began to jump over me. The teacher began to take a photo of me. I began to realize something weird was going on, and I wasn't happy about it. Then, I woke up.

I saw a tiny monster with wooden squares sticking out of its eyes. I didn't know what to do, so I wasn't concerned thinking this would help. The monster began to sing to me, but I tried to get it to punch me. Then, I woke up.

A woman showed up and began to slap me. The woman began to melt. The woman showed me several logs. Then, I woke up.
