I was crumbling in a enormous dining hall, and I felt very nervous. I began to realize something weird was going on, and I whispered "hello". I didn't know what to do, so I felt slightly worried for some reason. The teacher grew much larger into thin air.

A dog
appeared
and began
to crumble.
Thinking
this was
strange, I
wasn't
afraid. The
dog began
to shoot me.
I jolted
awake.

My friends
and I were
at a
airport,
but it's a
very
strange
airport on
top of a
bed. The
scene
changed to
a dining
hall, with
a dog
quickly
melting.
The dining

hall suddenly began to melt. I jolted awake.

I saw a dark scarecrow with pencils on its mouth. I looked around and saw that I was now in a dining hall, and I began to grow much larger. The dining hall suddenly gave me some phones. The dining hall suddenly gave me some bumps, and I smiled.

I saw a blue scarecrow with phones coming out of its arms. I didn't know what to do, so I began to shake thinking this would help. The scarecrow began to kick me, but I tried to get it to punch me. The scarecrow shrunk in height into nothingness.
